# HONEY LANE CARE HOME

Dear friends

A fresh new season is here and our home feels bright and vibrant!  
Here is a little peek into our fun spring adventures!

## Love is in the air

Love was in the air this Valentine's Day when our team members and residents came together to celebrate with a special afternoon tea party. We enjoyed Valentine's themed cakes and sweet treats, and our dining room was festooned in love heart balloons and glittering table decorations to create the perfect atmosphere. Our residents had a great time posing with fun props for photos to share with friends and family on Facebook. Then we popped open the bubbly to raise a toast and handed out single red roses to each of our residents to let everyone know how adored they are!

## Celebration time

It's been a season of celebrations and we've been coming together to mark some wonderful occasions from milestone birthdays to Chinese New Year, where we sampled spring rolls and opened fortune cookies! Laughter filled the air on Pancake Day as everyone indulged in their favourite toppings before competing in a pancake flipping contest! We made daffodil garlands to decorate our home on St. David's Day where we celebrated all things Welsh. Then it was party time when St. Patrick's Day rolled around. Our team created a huge balloon display in Ireland's colours with glistening shamrocks. Then everyone enjoyed a good boogie wearing their Guinness hats! Such fun!

## Park life

We have been getting out and about this spring on our trusty minibus. One of our most recent adventures saw us take a scenic road trip into London where our residents got to experience the beautiful greenery of the capital. We visited Victoria Park to enjoy a cuppa and slice of cake by the lake while we watched the world go by. We couldn't resist stopping off for a bite to eat at our favourite local pub. We do enjoy a cheeky tittle with a hearty meal whilst sharing laughter with friends. Great times!

## Easter fun

Our residents have had a wonderful time welcoming Easter to Honey Lane. In the run-up to the big weekend we got creative making all manner of Easter crafts, from fluffy bunnies to Easter bonnets! We came together to bake up a storm in the kitchen where we made some classic chocolate nest cakes complete with Easter chicks! Then it was time to party as we hosted Gary Benjafield, one of our favourite singers with a fabulous performance in the garden. Dancing with our friends was the perfect way to work off all those chocolate eggs we received from our loved ones!

With love,
