Honey Lane Care Home, Margherita Rd, Waltham Abbey

# LIVING WITH DEMENTIA VIRTUAL EXPERIENCE

Thursday 23<sup>rd</sup> February 2023

9:30am to 12noon

*Do you wish you could better understand your loved one and what it's like to live with dementia?  
If so, we would love you to join us for an immersive dementia training session.*

Guided by an expert trainer using sensory tools and instructions, you will get the opportunity to experience some of the challenges and feelings faced by someone living with dementia through a virtual dementia tour.

You will meet other families and carers, explore new ways to support someone living with dementia and be able to ask any questions you may have. The training is proven to support communication between you and your loved one.

To book your place, or for more information, please call 01992 927 283 or email [Enquiries.Honeylane@Carebase.org.uk](mailto:Enquiries.Honeylane@Carebase.org.uk) by 15<sup>th</sup> February as places are limited.

If you are unable to attend the session at this time, please get in touch for an alternative time.
