

Spring Newsletter

As the days grow longer and warmer, we find ourselves deeply thankful as we reflect on the meaningful moments and cherished connections we've shared over the past few months. I hope these bright memories, like this new season, fill you with joy and warmth.

Egg-citing Easter fun!

Everyone made wonderful memories over the Easter weekend, starting with our Easter Egg-stravaganza. The activities brought together team members' and residents' families for a lovely celebration and lots of seasonal fun. There was plenty to enjoy, including entertainment and an exciting Easter egg hunt that delighted our little ones and residents alike. A special highlight was a visit from a newborn lamb, bringing smiles and plenty of photo opportunities.

Family social

We held our new Family Social Night in March and what a fantastic night it was! We had great company, lots of laughter and conversation, and plenty of singing along during musical bingo. It's so important to us that Honey Lane feels like a family home, and we just love inviting our residents' family members to join in with our activities. A big well done to all our winners and thank you to everyone who came along and made the night so much fun. We can't wait to do it again!

Horse sanctuary wish

A visit to a local horse sanctuary made resident Julia's wish come true in March. Julia has always adored horses and has a strong memory from her childhood of riding and caring for a horse called Firefly. We organised for her to adopt her very own miniature Shetland called Tinkerbelle. Julia had a wonderful time meeting Tinkerbelle and will receive regular updates about her new friend, making this beautiful connection something she can continue to enjoy.

Building friendships

Once a month we host our Friendship Café and invite people from the local community into our home to socialise. It's a relaxed afternoon with tea, coffee and delicious freshly baked cakes. Each café brings something different, with a mix of games, quizzes, and occasionally a live entertainer. It's a lovely chance to build meaningful connections and lasting friendships by spending time with our team and residents.
